 Spring – 07/01/2019 – 17/04/2019 (including the 2 non-funded days)  
 Summer – 23/04/2019 – 29/08/2019

**How it all works!**

We are open 48 weeks of the year to give parents the chance to take up stretch funding. This entitles parents of eligible 2, 3 & 4 year olds to stretch their funding over 48 weeks, taking 12 hours per week instead of 15 (24 instead of 30 if you are eligible for 3 & 4 year old extended hours).

We have 3 main terms a year, the local government allow a certain amount of stretch funded weeks in each term. Autumn is usually 16 weeks, or 80 available funded days, Spring 14 Weeks, or 70 available funded days and summer is usually 18 weeks, or 90 available funded days. Stretch funding means there should be 240 available funded days (48 weeks) throughout the academic year. In 2018/2019 you will see there are actually 79 days in the autumn term and 71 days in the spring term to make sure we give parents the correct amount of days, as Easter falls late in 2019. As the government only pay for 48 weeks funding, there are 2, non- funded days towards Easter, so they will be fee paying if you wish your child to have an all year round place.

At the start of every term, each parent must sign and complete a parental declaration form, or they won't be entitled to the funding, if you are eligible for the extended funding then you must apply for your code through [childcarechoices.gov](http://childcarechoices.gov) and renew it every term (well before the end of each term) or you may fall out of eligibility. Please note: If you change booking pattern part way through a year (from 38 weeks to 48 weeks or vice versa you may end up being capped on your hours, depending on how many you have taken and are entitled to) If you ever have any queries on this please speak to one of the management team about it, we are here to help.
