**How it all works!**

We are open 48 weeks of the year to give parents the chance to take up stretch funding.

However, this calendar relates to children who are on a term time only contract/session agreement.

We have 3 main terms a year, the local government allow a certain amount of funded weeks in each term. For term time only children, autumn is usually 14 weeks, or 70 available funded days, Spring 11 Weeks, or 55 available funded days and summer is usually 13 weeks, or 65 available funded days. Term time only funding means there should be 190 available funded days (38 weeks) throughout the academic year. In 2018/2019 you will see there are actually 69 days the autumn term and 54 days in the spring term to make sure we give parents the correct amount of days, as Easter falls late next year, so we will actually finish late in July and you will have 3 weeks off at Easter. All the other days in light green are available to you if you wish to pay fees and book in extra. Please note, that if you have booked a term time only place with us, whether your child is funded or not, there are no bookable holidays during term time, you must pay for your fees all year round.

At the start of every term, each parent must sign and complete a parental declaration form, or they won't be entitled to the funding, if you are eligible for the extended funding then you must apply for your code through [childcarechoices.gov](http://childcarechoices.gov) and renew it every term (well before the end of each term) or you may fall out of eligibility. Please note: If you change booking pattern part way through a year (from 38 weeks to 48 weeks or vice versa you may end up being capped on your hours, depending on how many you have taken and are entitled to) If you ever have any queries on this please speak to one of the management team about it, we are here to help.
