

We are looking for an exceptional Early Years SEN Support Co-ordinator to join our team!

Kingdom Preschool is an established full daycare nursery school setting in Whitfield, Dover. We are a not for profit, Christian organisation that provides excellent, affordable childcare between the ages of 3 months and 5 years. Set in its own grounds, we think of ourselves as a small community for our children, families and team that offers an amazing outdoor space - complete with all-weather, fully accredited forest school - plus comfortable stylish rooms and our very own commercial kitchen and in-house chef!

We now require an experienced Early Years educator who can demonstrate a passion and interest in delivering a great SEN provision; this position is suitable for someone with experience or qualifications in early years AND special educational needs. A knowledge of the SENCO administration and paperwork is an advantage, but not essential, as you will report to our lead SENCO who manages this element.

The position is for a 30 to 35 hours per week contract, all year round. If working with SEN is your passion, and you have a desire to help people receive the best opportunity for their child's development, come and join our fantastic team.

We offer:

- A competitive salary, based on qualifications and experience that properly reflects the importance of this role;
- Valued support and mentoring from a great management team;
- A free uniform and tablet;
- Paid paperwork time, away from ratio;
- Regular (paid for) staff social events;
- A lovely working environment;
- A family feel team;
- Plenty of career development opportunities.

Our company has been established on Biblical foundations, therefore it is an occupational requirement of the job to be comfortable in praying with staff each day, as well as the children and families, sing worship songs and read bible stories. We do ask, as part of the job that each employee upholds our values and demonstrates our beliefs, in line with our company's constitution.

We are committed to safeguarding so all positions within our company are subject to our safer recruitment policy and will require references, DBS checks and proven, relevant qualifications. You will also be required to sign up the DBS update service.

In the first instance, please email your CV and covering letter, stating why you would be ideal for this position and what full and relevant qualifications you hold. Successful candidates will be contacted to fill in an application form and invited for a first interview. Email:
