

We are looking for an exceptional Early Years SEN Practitioner to join our team!

Kingdom Preschool is an established full daycare nursery school setting in Whitfield, Dover. We are a not for profit, Christian organisation that provides excellent, affordable childcare between the ages of 3 months and 5 years. Set in its own grounds, we think of ourselves as a small community for our children, families and team that offers an amazing outdoor space - complete with all-weather, fully accredited forest school - plus comfortable stylish rooms and our very own commercial kitchen and in-house chef!

We now require an experienced Early Years educator who can demonstrate a passion and interest in delivering a great SEN provision; this position is suitable for someone with experience or qualifications in early years AND/OR special educational needs. A knowledge of the SENCO administration and paperwork is an advantage, but not essential, as you will report to our lead SENCO who manages this element.

The position is for a 30 to 35 hours per week contract, all year round. If working with SEN is your passion, and you have a desire to help people receive the best opportunity for their child's development, come and join our fantastic team.

We offer:

- A competitive salary, based on qualifications and experience that properly reflects the importance of this role;
- Loyalty bonus;
- Company pension;
- A free uniform and tablet;
- Paid paperwork time, away from ratio;
- Regular (paid for) staff social events;
- On-site free parking;
- Refreshments provided;
- Lovely staff room so you can relax during breaks away from ratio;
- Valued support and mentoring from a great management team;
- Excellent training for all staff;
- A lovely working environment;
- Forest school and outdoor opportunities;
- Lovely resources to plan with;
- A family feel team;
- Regular staff treats;
- Monthly supervisions for self-reflection;
- Plenty of career development opportunities.

Whilst the position would therefore be perfect for a committed Christian, this is by no means mandatory, and we would consider any applicant willing to uphold our values and demonstrate our beliefs, in line with our company's constitution.

We are committed to safeguarding so all positions within our company are subject to our safer recruitment policy and will require references, DBS checks and proven, relevant qualifications. You will also be required to sign up to the DBS update service. In the first instance, please email your CV and covering letter.
